

RE-CREATION

FOR CELESTE MERGENS

MUSIC BY GEORGIA STITT

LYRICS BY JACQUELINE SUSKIN

Pull the past into focus
And rewrite repetitions
That spin from the tests of trauma
Spin from the tests of trauma
Rewrite repetitions

Now standing in this power
We present ourselves with newness,
Newness!
Bold belief in the betterment of the whole
By way of this re-creation
Re-creation!

How we lead with our own lessons
Stand firm when enough is enough
And with our gratitude held above all memory
of pain
And with our gratitude held above all memory
of pain
Our gratitude, our gratitude
We see the structure of our life
Illuminate each choice
Beyond the wall of circumstance
Re-creation!
