

YOU AND I

FOR DASHA KELLY HAMILTON

MUSIC & LYRICS BY MORLEY

When our love for the living
Leads us to follow
The most uncertain path
To the naked eye
The voice of the universe
Song of the universe
Sings through the soul of you and I
I, you and I
You and I

Every wild turn
Risking all to learn
And see through illusion
And fly
Every wild turn
Risk it all to unlearn
Anything that keeps us from the sky
Sky, you and I
You and I

When our love of living
Leads us to follow
The most uncertain path
Great spirit guides
The song of the universe
Voice of the universe
Song of the world opens wide
Wide, you and I
You and I

To each of us a box is given and the soul
seed blooms
To each of us a box is given, got to stay in
tune
Choose the path that's most uncertain 'cause
it leads to you
Choose the path that's most courageous, up
to me and you
We can make it better
We can make it better

As long as we can live to tell
As long as we can live to tell
With a voice wide open, trust it well
A voice wide open, trust it well
We can make it better
(We can make it better)
We can let it shine
(We can let it) on this joyous journey
Of you and I
I, you and I
You and I
You and I
You and I
